Drug Class	Drug Name	Gram positive cocci			Gram negative bacilli					Gram negative cocci		Anaerobes Atypicals		
		MRSA	MSSA	Streptococci	E. coli	P. mirabilis	Klebsiella	Pseudomonas	ESCAPPM	N. gonorrhoeae	N. meningitidis	e.g. Bacteroides sp.	e.g. Mycoplasma sp.	Drug Name
5th-gen cephalosporin	Ceftaroline													Ceftaroline
Lincosamide	Clindamycin													Clindamycin
Tetracyclines	Doxycycline													Doxycycline
Glycopeptides	Vancomycin													Vancomycin
Lipopeptides	Daptomycin													Daptomycin
Oxazolidinones	Linezolid													Linezolid
Antimetabolite	Trimethoprim/Sulfamethoxazole													Trimethoprim/Sulfamethoxazole
Anti-staphylococcal penicillins	Naficillin													Naficillin
	Oxacillin													Oxacillin
	Flucloxacillin													Flucloxacillin
Aminopenicillins	Amoxicillin-Clavulanic Acid													Amoxicillin-Clavulanic Acid
with beta-lactamase	Ampicillin/Sulbactam													Ampicillin/Sulbactam
inhibitors	Piperacillin-Tazobactam													Piperacillin-Tazobactam
1st-gen	Cefazolin													Cefazolin
cephalosporin	Cefalexin													Cefalexin
2nd-gen cephalosporin	Cefuroxime													Cefuroxime
	Cephotetan													Cephotetan
	Cefoxitin													Cefoxitin
3rd-gen	Cefotaxime													Cefotaxime
cephalosporin	Ceftriaxone													Ceftriaxone
4th-gen	Cefepime													Cefepime
cephalosporin	Ceftazidime													Ceftazidime
Carbapenems	Ertapenem													Ertapenem
	Imipenem													Imipenem
	Meropenem													Meropenem
Quinolones	Ciprofloxacin													Ciprofloxacin
	Levofloxacin													Levofloxacin
	Moxifloxacin													Moxifloxacin
Macrolides	Azithromycin													Azithromycin
Penicillin	Benzylpenicillin													Benzylpenicillin
Aminopenicillins	Ampicillin													Ampicillin
	Amoxicillin													Amoxicillin
Monobactams	Aztreonam													Aztreonam
Aminoglycosides	Gentamicin													Gentamicin
	Tobramycin													Tobramycin
	Amikacin													Amikacin
Nitroimidazoles	Metronidazole													Metronidazole
